26-PRO-00313	ESTATE OF DELORES JEAN HANNING	
Line 12	Petitioner: HANNING, GARY W. (Pro Se) Decedent: HANNING, DELORES JEAN	Spousal/Domestic Partner Property Petition

Tentative Ruling:

APPEARANCE ORDERED [Zoom not allowed]

Petitioner is to personally appear to address the previously granted request to waive court fees. Additionally, there appear to be errors and inconsistencies in the petition, including but not limited to: Petitioner states he is the guardian or conservator of the estate of the surviving spouse, but he has instead provided documentation that he is the acting power of attorney; the petition asserts the decedent died in 1942; the petition states that the decedent died intestate, yet a copy of her will is attached; there is no Attachment 7A, although the box is checked [there is an attachment "7"]; Moreover, Petitioner filed a proof of service showing he served the interested parties, but it is required that someone **other than Petitioner** serve the notice of hearing and petition. Finally the proposed order must include an attachment describing the property to be confirmed to the surviving spouse.
