Case Number: 23STCV07721 Hearing Date: July 22, 2026 Dept: 517

The Court is granting Plaintiffs' motion for leave to file a Fourth Amended Complaint ("4th AC"). By July 28, 2026, Plaintiffs shall file as a separate, standalone document the version of the proposed 4thAC that was attached as Exhibit A to the Exhibit List that Plaintiffs filed on June 10, 2026.

There is a case management conference scheduled for September 2, 2026. The Court is inclined to continue that conference because Plaintiffs need to serve the 4thAC on more than hundred Defendants named in the 4thAC and file the proofs of service. That will take time and may not be completed by September 2, 2026. Thereafter, Defendants have 30 days from the service date to respond to the 4thAC. It is unlikely that responses will have been filed by September 2, 2026. The Court will discuss a new date for the case management conference at the hearing on motion for leave to amend.
