SPR097310

Case Management Conference

Tentative Ruling: NO APPEARANCES REQUIRED. The Court considered whether to set a trial on the issues of the counter claims regarding rent due and credit for contributions to the residence. But in the absence of a stipulation for trial on discrete issues, or pending contested pleadings, there is no procedural basis for the Court to do so. The Court presumes the administrator will at some point file a petition for final account and distribution. Should that include surcharges, which are in turn disputed, a trial may then be set. Matter is CONTINUED to February 4, 2027 at 3:00 p.m. in Dept. 63 for status of estate administration and final account and distribution.
