**1:30 P.M. Civil Case Management**

|           |                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-----------|----------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 23CV46667 | BELL v. ARNOLD GIANT BURGER, LLC                                     | Upon review of the file, Complaint and Counter Claim have been filed and Answers filed. The next Case Management Conference (CMC) is set for Sept. 11, 2024, at 1:30 p.m. in Dept. 4.                                                                                                                                                                                                                                        |
| 21CV45738 | BIGGS v. DEANGELIS                                                   | Both parties have indicated a willingness to mediate and that much discovery has been completed. The next Case Management Conference (CMC) is set for Sept. 11, 2024, at 1:30 p.m. in Dept. 4 where a Mandatory Settlement Conference will be set.                                                                                                                                                                           |
| 22CV46063 | COMSTOCK V. WILSON                                                   | Both parties have indicated a willingness to mediate and that much discovery has been completed. The next Case Management Conference (CMC) is set for Sept. 11, 2024, at 1:30 p.m. in Dept. 4 where a Mandatory Settlement Conference will be set.                                                                                                                                                                           |
| 19CV43812 | DAY v. GIFFIN                                                        | The matter is set for Settlement Conference and Trial. Case management is complete.                                                                                                                                                                                                                                                                                                                                          |
| 23CV46928 | GRAHAM v. PURE ALOHA                                                 | Court notes Stipulation and Order re: filing of Amended Answer and substitution of attorneys. Unclear from Case Management statement what the status of discovery is, or if parties will mediate. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4. Court would like CMC statements from all parties, and if appropriate will set a Mandatory Settlement Conference at next CMC. |
| 23CV46748 | HYATT v. SCHULZ                                                      | The case has been settled and Petition to Approve Settlement Agreement was heard and approved on May 2, 2024, in Dept. 1.                                                                                                                                                                                                                                                                                                    |
| 24CV47140 | DICK v. SAHLMAN                                                      | Initial discovery propounded on Complaint and Cross Complaint. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4.                                                                                                                                                                                                                                                                 |
| 23CF14151 | JEFFERSON CAPITAL SYSTEMS LLC v. PINEDA                              | This matter is under the California Rules of Court, Rule 3.740. The service of complaint was timely, but there is no response on file, and plaintiff's have not obtained default or default judgment. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4, and if no progress has been made by that CMC, an OSC re: Dismissal will be set.                                          |
| 24CV47142 | RICE v. DHALIWAL                                                     | Matter needs to be served. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4.                                                                                                                                                                                                                                                                                                     |
| 23CV46918 | THE LAKES TREATMENT CENTER, INC. v. THE LAKES TREATMENT CENTER, INC. | The matter has been referred to arbitration and redacted exhibits have been provided to court. The next Case Management Conference (CMC) is set for Dec. 18, 2024, at 1:30 p.m. in Dept. 4.                                                                                                                                                                                                                                  |

|           |                                    |                                                                                                                                                                                                                                                                                                                                  |
|-----------|------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 23CV46917 | TOTTEN v. RITE OF PASSAGE, INC.    | It is unclear if matter is at-issue and what status of discovery is ("per code" statements are unclear). Do parties desire an opportunity to mediate? The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4. where a Mandatory Settlement Conference may be set.                          |
| 23CF14058 | VELOCITY INVESTMENTS LLC v. WRIGHT | This matter is under the California Rules of Court, Rule 3.740. The service of complaint was timely, and there is an answer on file. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 1:30 p.m. in Dept. 4 where a Mandatory Settlement Conference will be set. Plaintiff to provide notice to defendant. |

## 2:00 P.M. Family Law Case Management

|           |                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|-----------|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 23FL46897 | AUGUSTINE:v. AUGUSTINE: | RFO on May 14, 2024, to review the Proposed Order re: status and Child Custody/Visitation. The next Case Management Conference (CMC) is set for Sept. 11, 2024, at 2:00 p.m. in Dept. 4.                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 22FL46036 | BARGE v. BARGE          | Petitioner has filed a Proof of Service; however, Respondent has not filed a Response. The petitioner is referred to the Self-Help Center to file a declaration of preliminary disclosure, as well as a default or a dismissal. The next Case Management Conference (CMC) is set for Sept. 11, 2024, at 2:00 p.m. in Dept. 4.                                                                                                                                                                                                                                                                              |
| 19PA44397 | EVANS v. ANDERSON       | Upon review of the file, the Court notes that the Response was stricken on 03/26/2020. There has been no progress in this matter for four years. The petitioner must file a dismissal or a default or re-contact the respondent about this matter before the next Case Management Conference (CMC). The petitioner is referred to the Self-Help Center for assistance. The next Case Management Conference (CMC) is also set for an OSC re: Dismissal as no action has been taken to prosecute the petition. The CMC and OSC are set for Sept. 11, 2024, at 2:00 p.m. in Dept. 4. Court to notify parties. |
| 23FL46901 | JOHNSON v. JOHNSON      | Court notes request to enter default filed. The petitioner may file further financial documents if desired, and is referred to the Self-Help Center for assistance in additional filing to obtain Default Judgment. The next Case Management Conference (CMC) is set for Sept. 18, 2024, at 2:00 p.m. in Dept. 4.                                                                                                                                                                                                                                                                                          |
