

understanding is not an agreement in writing. Plaintiffs' counsel's representation that there was an agreement appears to be an outright misrepresentation of fact.

Because there was no written agreement extending the time to file a motion to compel as to any discovery request at issue, and the motion only concerns responses that were not supplemented, the motion directed at Felmus is denied as untimely.

Pursuant to California Rules of Court, rule 3.1312(a), and Code of Civil Procedure section 1019.5, subdivision (a), no further written order is necessary. The minute order adopting this tentative ruling will serve as the order of the court and service by the clerk will constitute notice of the order.
