

Analysis

Mail service was completed at an address for the Defendant where he was personally served with notice of the Summons and Complaint.

Though Defendant never filed an Answer, he did enter into a Stipulation with Plaintiff on this very matter, showing, by a preponderance of the evidence, that she was aware of this litigation. Defendant has made no effort to file a change of address with the court. Thus, the court finds that Defendant was properly noticed of this Motion.

The parties entered into a CCP 664.6 agreement where the Defendant was to follow a particular fee payment schedule. If Defendant failed to abide by the payment schedule, then the agreement called for the dismissal to be vacated and judgment to be entered in the amount of \$3,571.68, plus costs, and less any credits for payments received.

The agreement was filed with the court.

The case was then dismissed.

The Defendant made payments of \$142.

Costs are \$583.61.

Disposition

Plaintiff's Motion is granted. Judgment will be entered in the amount of \$4,013,29.

Plaintiff to file order on Motion, as well as submit Judgment.
