

of the court, be deemed cause for acting on the matter without consideration of the document filed in violation of requirements and may be deemed cause for imposing sanctions.” See the court’s website: <https://contracosta.courts.ca.gov/divisions/civil/motions-and-hearings>.

The demurrer is sustained. Plaintiff shall have thirty days leave to amend from the date he is served by defendant with notice of this ruling.

18. 9:00 AM CASE NUMBER: C24-03533
CASE NAME: CHARLES KASPER VS. KARINA KASPER
***HEARING ON MOTION IN RE: STRIKE DOE AMENDMENT**
FILED BY:
TENTATIVE RULING:

This is Justus Hlady-Kasper's motion to strike the Doe amendment on the ground that he was not named as a Doe defendant until after the statute of limitations had run. Doe defendants may be named after the running of the statute of limitations in certain circumstances. The mere fact that he was served in September 2025 is not a sufficient basis for striking the Doe amendment. The motion is denied without prejudice to being renewed upon a proper showing. See. E/g/ Winding Creek v. McGlashan (1996) 44 Cal. App. 4th 993, at 942-943.

19. 9:00 AM CASE NUMBER: C24-03533
CASE NAME: CHARLES KASPER VS. KARINA KASPER
***HEARING ON MOTION IN RE: JUDGMENT ON THE PLEADINGS**
FILED BY:
TENTATIVE RULING:

This is Denise Kasper’s motion for judgment on the pleadings. It is unopposed and well taken.

Pursuant to Cal. Code of Civ. Proc. § 1005(b), “all papers opposing a motion shall be filed with the court and copy served on each party at least nine court days... before the hearing.” No timely opposition was filed.

California Rules of Court, Rule 8.54(c) states, “A failure to oppose a motion may be deemed a consent to the granting of the motion.”]; see *Cravens v. State Bd. of Equalization* (1997) 52 Cal. App. 4th 253, 257; *Gwaduri v. I.N.S.* (9th Cir. 2004) 362 F.3d 1144, 1146 [Where a party fails to file timely opposition to a motion, it is “well-within” the court’s discretion to determine that such failure is “tantamount to a concession that its position in the litigation was not substantially justified.”] (citing *Weil v. Seltzer*, 873 F.2d 1453, 1459 (D.C. Cir. 1989) [holding that a party who fails to file an opposition to a motion is deemed to have waived opposition and may not be heard to complain.]; see also *Nazir v. United Airlines, Inc.* (2009) 178 Cal.App.4th 243, 288 [failure to address or oppose issue in motion constitutes waiver of that issue.]

Moreover, California courts recognize that a party’s failure to file opposition supports treating the motion as unopposed and may be construed as a concession/abandonment of any argument against the requested relief. See e.g., *Sexton v. Superior Court* (1997) 58 Cal. App. 4th 1403, 1410
