15. RYAN HAYNES V. SONYA LOSSIUS

PFL20210153

Respondent filed a Request for Order (RFO) on March 26, 2026, seeking modification of child custody and parenting plan orders. The parties were not referred to Child Custody Recommending Counseling (CCRC) as they had participated in CCRC within the prior six months. Proof of Service shows Petitioner was served by mail and electronically on March 26, 2026.

On April 14, 2026, the court in Department 8 referred the parties to CCRC with an appointment on April 27, 2026. The court ordered the CCRC report to be prepared on an expedited basis. However, a further review hearing was set in the event the report was not able to be prepared in a timely manner.

On May 7, 2026, the court continued the matter to the present date due to the lack of a CCRC report.

Both parties attended CCRC and were unable to reach any agreements. A report with recommendations was filed with the court on May 7, 2026. Copies were mailed to the parties on May 8th.

Parties appeared for the hearing on June 18, 2026, at which time the court referred the parties back to CCRC with an appointment on July 24, 2026, and a review hearing set for September 3rd.

Both parties attended CCRC on July 24th and were able to reach many agreements. A report with recommendations as well as the parties' agreements was prepared on August 12, 2026. Copies were mailed to the parties on August 13, 2026.

Neither party has filed a Supplemental Declaration.

The court has read and considered the filings as outlined above. The court finds the recommendations and agreements as set forth in the August 12th CCRC report to be in the best interest of the minor. The court adopts the recommendations and agreements as set forth.

All prior orders not in conflict with these orders remain in full force and effect. Respondent is directed to prepare the Findings and Orders After Hearing (FOAH); however, this order is effective immediately upon the court's adoption of the tentative ruling and is not conditioned on the preparation of the FOAH.
