Dupree, et al. v. County of Los Angeles, et al.

August 7, 2026

[TENTATIVE]

ORDER GRANTING

PETITION FOR APPROVAL OF MINORS' COMPROMISE OF A CLAIM

Plaintiffs

are heirs and survivors of Tyson Martin, who was killed by nominal defendant, Wendell Martin. The third amended complaint alleges Defendants were negligent in failing to remove Tyson from his home, where he was sexually and physically abused. The minor Plaintiff, S.M., suffered injuries from sexual and physical abuse.

The

parties settled this case to be distributed to Tyson's mother, Bridgette Dupree in the amount of \$745,000, and \$50,000 to S.M. to be deposited into a blocked account.

S.M.

sought therapy from Jon R. Conte Ph.D., who evaluated her for psychological damage. SM currently does not present with symptoms of trauma or extreme stress (.pdf p. 20.) Medi-Cal paid for medical expenses incurred for therapy and has agreed to take \$9,710.01 to settle its lien. (Att. 12.)

A

minor's settlement is valid if approved by the court after a hearing. (Prob. Code, §§3505, 3500.) Plaintiffs' counsel will not deduct costs but will take \$10,000

in attorney's fees (20 percent), which the Court finds reasonable, leaving a net settlement amount of \$30,289.99, to be deposited into a blocked account.

Petitioner and Claimant must

appear at the hearing, unless the Court finds good cause to excuse their appearance. (Cal. Rules of Court, 7.952.) Subject to a hearing, the Court is inclined to grant the petition.
