[Tentative] Order RE:

Motion
for Protective Order

MOVING PARTY: Defendant Ford Motor Company

RESPONDING
PARTY: Plaintiff Francisco Estrada

Motion for
Protective Order

The court considered the moving,
opposition, and reply papers filed in connection with this motion.

DISCUSSION

Defendant Ford
Motor Company ("Defendant") moves the court for a protective order restricting
the use and disclosure of certain documents.

The court denies
the motion because Defendant has not demonstrated good cause for entry of a
protective order. (Code Civ. Proc., § 2031.260.) Defendant has not demonstrated
that its customer service, warranty, and vehicle repurchase policy and
procedure manuals contain information that derive independent economic value
from not being generally known to the public or to other persons who can obtain
economic value from its disclosure or use. (Civ. Code, § 3426.1, subd. (d).)

ORDER

The court DENIES
defendant Ford Motor Company's motion for protective order.

The court orders plaintiff
Francisco Estrada to give notice of this ruling.

IT IS SO ORDERED.
