Case Number: 24STCV29151 Hearing Date: August 27, 2026 Dept: 517

Pending before the Court is Plaintiffs' motion for an order striking in their entirety the costs that Defendant is seeking through the memorandum of costs that it filed, or alternatively, for an order to tax certain of the costs itemized in the Defendant's memorandum.

Plaintiffs' motion to strike all of Defendant's claimed costs is based on the proposition that the filing of Defendant's memorandum of costs was untimely under rule 3.1700 of the California Rules of Court. Plaintiffs are incorrect. The memorandum of costs was timely filed. The Court will explain the basis for this conclusion at the hearing today.

As for Plaintiffs' alternative request in their motion to strike certain items of costs if the costs are not stricken in their entirety, the Court will take this portion of the motion under submission and issue a ruling in the coming days.
