Case Number: 26STCV05983 Hearing Date: August 14, 2026 Dept: 9

The Court hereby

distributes a tentative ruling for the Case Management Order. The parties are welcome to provide input and propose modification(s) to any aspect of the CMO at the Initial Status

Conference. If all parties submit on the

tentative CMO prior to the commencement of the August 14, 2026 ISC, the Court

will adopt the tentative CMO, and the parties need not appear. However, if there is any matter that any

party would like to discuss, including any proposed change to this tentative

CMO, that party should not submit on this tentative but instead appear at the

ISC to raise the issue. To avoid a

failure to appear, please make sure to check in with Department 9 court staff

and wait for the case to be called unless you receive notification that all

parties have submitted on the tentative CMO.

The Court has

reviewed the Joint Status Report filed on 8/7/26.

In their Joint

Status Report, the parties indicate that Defendant's counsel has informed

Plaintiff's counsel that there may be an applicable arbitration agreement with

a class action waiver. Upon receipt and review of the arbitration agreement,

the Parties anticipate further meeting and conferring regarding case management

issues, including but not limited to arbitration, class claims, PAGA claims,

and private mediation.

The Parties' joint

request to continue the initial status conference is granted.

By no later than 10/23/26,

the parties must file a joint Initial Status Conference Statement in compliance with the Court's Initial Status Conference Order.

The Initial Status

Conference is continued to 10/30/26 at 8:30 am in Department 9 at the Spring Street Courthouse.

Plaintiff is

ordered to give formal notice to all parties.
