On May 4, 2026, Center Street Lending, VIII SPE filed a Petition to expunge the mechanic's lien recorded by Respondent FEI Enterprises, Inc. against 2347 Ocean View Ave., Los Angeles, CA 90057.

Civ. Code § 8480(a) states, "The owner of property or the owner of any interest in property subject to a claim of lien may petition the court for an order to release the property from the claim of lien if the claimant has not commenced an action to enforce the lien within the time provided in Section 8460."

Civ. Code § 8460(a) states, "The claimant shall commence an action to enforce a lien within 90 days after recordation of the claim of lien. If the claimant does not commence an action to enforce the lien within that time, the claim of lien expires and is unenforceable."

Here, the subject lien was recorded on October 14, 2025, but no lawsuit has apparently been filed to enforce the lien. Because an opposition was not submitted, Respondent failed to establish the validity of the subject lien. (See Civ. Code § 8488(a) ["The claimant has the burden of proof as to the validity of the lien."].) Therefore, the Petition to Expunge Mechanic's lien is granted.

Petitioner to give notice.
