Case Number: 25STCV36582 Hearing Date: August 14, 2026 Dept: 9

The Court hereby

distributes a tentative ruling for the Case Management Order. The parties are welcome to provide input and

propose modification(s) to any aspect of the CMO at the Initial Status

Conference. If all parties submit on the

tentative CMO prior to the commencement of the August 14, 2026 ISC, the Court

will adopt the tentative CMO, and the parties need not appear. However, if there is any matter that any

party would like to discuss, including any proposed change to this tentative

CMO, that party should not submit on this tentative but instead appear at the

ISC to raise the issue. To avoid a

failure to appear, please make sure to check in with Department 9 court staff

and wait for the case to be called unless you receive notification that all

parties have submitted on the tentative CMO.

SUPERIOR

COURT OF THE STATE OF CALIFORNIA

FOR

THE COUNTY OF LOS ANGELES

PAUL CIANCETTA vs ABC SIGNATURE, LLC, 25STCV36582

[TENTATIVE] CASE MANAGEMENT

ORDER

This action has been designated as

complex pursuant to CRC 3.400(a), and thus requires exceptional judicial

management. All provisions of this CMO are deemed necessary to carry out the

purposes of Rule 3.400(a), and to promote effective decision-making by the

Court. They are based upon individual consideration of this complex action, including

the Status Conference Reports previously filed by the parties.

1.

Mediation: The

parties are ordered to meet and confer regarding their willingness to

participate in private mediation, and if agreeable to all parties, the parties

may schedule a mediation. The parties

are further ordered to file a Joint Status Report Re: Mediation Efforts,

including whether the Parties have agreed to mediate, the identity of any

mediator they may have selected, and the date of any mediation they may have

scheduled, by no later than September 30, 2026. A Status Conference is set for October

7, 2026 at 8:30 AM, Department 9.

If the parties agree to a voluntary, informal exchange of discovery prior to mediating, the Court encourages (but does not require or order) the parties to include a custodian's declaration with each production of discovery so that if the mediation is unsuccessful, the parties will have declarations to authenticate the documents already produced.

2.

Applicable Arbitration Agreement(s): The Parties are unaware of any relevant arbitration agreements and/or class action waiver clauses applicable to Plaintiff.

However, Defendant states that Plaintiff's proposed class includes union represented workers whose wages, hours, working conditions, pay-timing rules, meal-period rules, and remedies may be governed by applicable collective bargaining agreements. Those agreements may contain grievance and arbitration procedures that provide the exclusive contractual mechanism for resolving certain claims or issues. The Parties are ordered to meet and confer regarding their respective proposals as to how the Court may best manage this issue, including the possibility of sequencing discovery and litigation in a way that most effectively and efficiently addresses this issue, or any other proposal that the parties may have. In their

meet and confer efforts, the Court encourages the parties to review the Court of Appeal's decisions in *Henderson v. Ready to Roll Transportation, Inc.*, 228 Cal. App. 4th 1213, 1223 (2014) and *Sky Sports, Inc. v. Superior Ct.* (2011) 201 Cal. App. 4th 1363, 1369.

After the parties' meet and confer efforts, the parties must file a joint statement with either a joint proposal or the parties' respective proposals as to the best manner for structuring discovery and litigation of this issue. The parties are ordered to file and serve the Joint Statement by no later than September 30, 2026 and to appear for a status conference to address this issue on October 7, 2026 at 10 am.

3.

Amendment of Operative Complaint: The Parties are ordered to file a Joint Status Report by 9/30/26 regarding (1) the filing of a Second Amendment Complaint, including the changes to be made in current operative complaint and the timing for filing of such Second Amendment Complaint, (2) a proposed deadline by which Plaintiff must file any such Second Amended Complaint and (3) a proposed deadline for Defendant's responsive pleading to the anticipated Second Amended Complaint.

4.

Potential PAGA Claim: The operative complaint currently

does not include any claim for civil penalties pursuant to Labor Code section

2699 (PAGA penalties). By no later than September

14, 2026, Plaintiff must file and serve a status report as to: (a)

whether Plaintiff intends to either file a separate action for PAGA penalties

or file an amended complaint in the instant action adding a claim for PAGA

penalties; and (b) if Plaintiff does wish to add a PAGA claim, then Plaintiff

must serve the LWDA and Defendant with a notice letter by no later than September

14, 2026, and Plaintiff must also include in the status report when

Plaintiff intends to file the claim for PAGA penalties (either as a complaint

in a separate action or by way of amendment to the complaint in this action). A Status Conference Re Potential Addition

of PAGA Penalties is set for October 7, 2026 at 10:00 am,

Department 9.

5.

Stay on the Pleadings and Discovery. The

stay on pleadings and discovery remains in effect.

6.

Class list discovery.

The decision in *In Re Insurance Installment Fee cases* (2012) 211

Cal.App.4th 1395, 1426-1429, held that the notice procedure prescribed by the

trial court and followed by the defendant was necessary to protect privacy

rights under the California Constitution.

Therefore, upon the Court's lifting of the stay on class certification

discovery, the parties shall use the procedure described in *Belaire-West*

*Landscape v Superior Court* (2008) 149 Cal.App.4th 554 to notify putative

class members, as described in the applicable paragraph of the currently

operative complaint, giving them the opportunity to opt out. The parties must share the cost of the

procedure equally.

a. Plaintiff

is to take the lead and prepare a proposed letter to be sent out by the

agreed-upon third party administrator.

The parties must discuss and settle upon a final version.

b. The

letter must be written using the administrator's letterhead, not that of any

party.

c. The

defense must turn over the contact information consisting of name, address,

phone number, and email address (if available) to the third-party

administrator.

d. In the

event the putative class list is greater than 400 people, the administrator

must randomly select a sample of no more than 400. The contact information for those persons

who did not opt out must be turned over to the plaintiff.

7.

Payroll Records Discovery. Responses to any

payroll record discovery requests must be uniquely numbered and redacted so

that putative class member's identifying information, i.e., name, social

security numbers, etc. are not revealed.

8.

Protective Order.

Parties are alerted that model protective orders may be found at Los

Angeles Superior Court website at <http://www.lacourt.org/division/civil/CI0043.aspx>. The parties are encouraged to use these model

orders as shown, or if modified, as a template for the modified order. A redlined courtesy copy must be posted on

the e-service bulletin board and lodged with the court at the time of filing.

The parties must use the redlined version to identify any changes proposed to

the model order.

9.

E-service & E-filing. Electronic service is not the same as

electronic filing. The parties have

agreed, and the Court has signed an order authorizing Case Anywhere as the

e-service to be used in this case.

Argument must not be posted on the bulletin board. For information on electronic filing in the

Complex Courts, please refer to <https://www.lacourt.org/division/efiling/efiling2.aspx> and <http://www.lacourt.org/division/efiling/pdf/ComplexefilingFAQs.pdf>.

a. The

parties should be aware that if they submit a proposed order, then if and when

the Court approves the order, the final signed order will be electronically

returned to the Electronic Filing Service Provider (EFSP). After lodging a proposed order, the parties

must frequently monitor and check with their EFSP because the final, signed

order will not be automatically uploaded to CaseAnywhere or any other

electronic bulletin board.

10.

Hearing Dates and Briefing Schedule for Motions: Department 9 does not use the Los Angeles

Superior Court online Court Reservation System (CRS) to set motion hearing

dates. To request a hearing date and

briefing schedule for any and all motions (other than motions in limine), the

moving party must call the Court Staff in Department 9 when ready to file the

moving papers. The first page of the Notice

of Motion must clearly set forth the hearing date and briefing schedule obtained

from the Court. Failure to file and

serve moving papers within 1 court day of obtaining the briefing schedule and

hearing date may result in the Court vacating the hearing date. At the trial setting conference, the Court

will specially set a briefing schedule for all motions in limine, which are

generally heard at the Final Status Conference.

11.

Class Certification Motion. The Court will defer setting a deadline for

Plaintiff to file and serve any Motion for Class Certification until at least after

a discussion with the Parties at the October 7, 2026 status conference.

12.

Discovery conferences. Participation in an informal discovery

conference is not a prerequisite to filing a motion to compel further or other

discovery motion in Department 9.

However, the Court strongly encourages informal discovery conferences as

a more efficient and cost effective alternative to resolve discovery disputes without

unnecessary motion practice. The Court

will likely consider the parties' voluntary participation in an informal

discovery conference or other similar efforts when subsequently assessing a

party's request for discovery sanctions.

Any party may post a message on the electronic bulletin board to request

an informal discovery conference. The

Court will either reply to the message or issue a minute order setting the conference. A party's request for or voluntary participation in an informal discovery conference does not extend the deadline to file and serve a timely motion to compel further responses. If the parties wish, they may negotiate and stipulate to a mutually agreeable extension in writing. Because informal discovery conferences are informal, no court reporter or audio recording is permitted.

13.

Potential Related Cases. Counsel are ordered to file and serve a Notice of Related Case for any potentially related cases pursuant California Rule of court Rule 3.300, including any class action involving overlapping claims and any PAGA case involving the same representative plaintiff. This is a continuing obligation on both Plaintiffs and Defendants while this case is pending.

14.

Settlement.

File a Notice of Settlement on Judicial Council form CM-200, a mandatory form.

a. Consider using the form wage and hour

settlement agreements now available on the court's website at <https://www.lacourt.org/forms/all> – "Civil Forms" section.

With input and unanimous consensus from an Ad Hoc Wage and Hour

Committee, the court posted: (1) a form class action settlement

agreement, (2) a form class action/PAGA settlement

agreement, (3) and a form PAGA settlement agreement. Using these

forms should cut down on attorney negotiation time and reduce the lag time

between a successful mediation and execution of a long form agreement. Filing a motion that is based on a form

agreement and includes a redlined copy identifying modifications will also

expedite the court's review process and help reduce the current backlog on

hearings.

b. If settlement includes dismissal of

class action claims (such as a PAGA only settlement or an individual settlement), then Plaintiff

must comply with CRC 3.769 and 3.770 in order to obtain dismissal of class

claims. Do NOT use Judicial

Council Form Civ-110, Request for Dismissal.

Plaintiff

is ordered to download (1) the instant signed order from the Court's

website, (2) the minute order for today, and (3) the signed order authorizing

electronic service provider, to give formal notice of each of these to all

other parties, and to file proof of service of such within five (5) days.

IT IS SO ORDERED.

DATED: August 14, 2026
