Superior Court of California

County of Los Angeles

DEPARTMENT 309

NATASHA KORMAN

vs.

FARMERS GROUP PROPERTY AND CASUALTY
INSURANCE COMPANY, et al.

Case No.: 25STCV10018

Hearing Date: August 10, 2026

Defendants'
motion to seal is GRANTED.

On 4/2/2025,
Plaintiff filed suit against Farmers Group Property, Casualty Insurance Company, and Adriana Vargas, alleging: (1) discrimination; (2) failure to accommodate; (3) failure to engage in interactive process; (4) failure to prevent discrimination; (5) retaliation; (6) harassment; and (7) wrongful termination.

On 6/17/2026,

Defendants Farmers Group Property and Casualty Insurance Company and Farmers Insurance Exchange (collectively, Defendants) moved to seal records being filed in support of its summary judgment motion.

Plaintiff

filed a non-opposition.

Discussion

Defendants

seek to seal 27 exhibits (See Motion, 2:8-3:5), on the basis that the information in the identified exhibits contain Plaintiff's private medical information.

California

Rule of Court 2.551(b)(1) provides: A party requesting that a record be filed under seal must file a motion or an application for an order sealing the record. The motion or application must be accompanied by a memorandum of points and authorities and a declaration containing facts sufficient to justify the sealing.

California

Rule of Court 2.550 requires that a court granting a motion to file a document under seal expressly find the following: (1) There exists an overriding interest that overcomes the right of public access to the record; (2) The overriding interest supports sealing the record; (3) A substantial probability exists that the overriding interest will be prejudiced if the record is not sealed; (4) The proposed sealing is narrowly tailored; and (5) No less restrictive means exist to achieve the overriding interest.

Here,

Defendants seek to maintain the confidentiality of the foregoing documents, which contain confidential and sensitive information related to Plaintiff's medical history. After review, the Court finds that the information at issue satisfies all of the elements of Rule 2.550(d).

Based

on the foregoing, Defendants' motion to seal is granted in its entirety.

It is so ordered.
