#12 - ASTGHIK GEVORGYAN, et al. vs LOS ANGELES UNIFIED SCHOOL DISTRICT, et al.

The Petition for Approval of Compromise of Claim or Action or Disposition of Proceeds of Judgment for Minor or Person With a Disability is GRANTED.

The Court has reviewed the petition and the information disclosed concerning the accident, the minor's injuries, the treatment received, the complete recovery, the proposed settlement amount, the claimed medical expenses, the requested attorney's fees, the requested costs, and the proposed disposition of the net proceeds.

The gross settlement for the minor is \$5,000.00. Requested deductions consist of \$250.00 in medical expenses, \$1,250.00 in attorney's fees, and \$58.18 in litigation expenses, leaving net proceeds of \$3,441.82 for the minor. The net balance of \$3,441.82 is approved for distribution as requested in item 18b(5) of the petition to Arman Khachatryan, at 10137 Arleta Ave. Unit 1, Arleta, CA 91331.

The medical-expense portion of the petition states that Medi-Cal paid \$150.00, seeks no reimbursement from the proceeds, and that a medical provider lien for Back In Motion Chiropractic is to be satisfied in the amount of \$250.00.

The requested attorney's fee equals 25 percent of the minor's gross recovery. The petition also discloses that counsel expects to receive additional compensation from Astghik Gevorgyan, not from the minor's share, in the amount of \$48,000.00.

The Court finds the proposed compromise fair, reasonable, and in the minor's best interests. The Court further finds that the requested fee and costs to be paid from the minor's recovery are reasonable, and that the proposed net distribution should be approved as requested.

The Petitioning Party is to give notice.
