PEOPLE OF THE STATE OF CALIFORNIA ex

rel. ALLSTATE INSURANCE COMPANY,

Plaintiff,

v.

PEGASUS IMAGING LLC, et

al.,

Defendants.

Case No.: 24STCV31888

Hearing Date: August 5, 2026

[TENTATIVE]

order RE:

plaintiff's motion to compel further

responses (CRS# 8172)

BACKGROUND

On December 3, 2024, Plaintiff

People of the State of California ex rel. Allstate Insurance Company

filed this action against Defendants Pegasus Imaging LLC, Harry Sarafian, and

Kamran Koocheck, MD. The complaint alleges that Defendants engaged in a medical

insurance fraud scheme.

On April 24, 2026, Plaintiff filed the instant motion to compel Defendants' further responses to special interrogatories. Defendants have not filed an opposition.

LEGAL STANDARD

Upon receiving responses to its discovery requests, the propounding party may move for an order compelling further responses if the responses are incomplete or evasive, or objections are without merit or too general. (Code Civ. Proc., §§ 2030.300(a), 2031.310(a), 2033.290(a).)

A party "is entitled to demand answers to its interrogatories, as a matter of right . . . [and] the burden of justifying any objection and failure to respond remains at all times with the party resisting an interrogatory." (Williams v. Sup. Ct. (2017) 3 Cal.5th 531, 541.)

DISCUSSION

Plaintiff's motion and separate statement set forth the subject interrogatories and Defendants' defective responses. Defendants have filed no opposition and do not contest the merits of the motion. Therefore, an order compelling further responses is warranted.

CONCLUSION

Plaintiff's motion to compel further responses is GRANTED. Defendants shall provide further responses to the subject discovery within 20 days of today.
