Forward Financing LLC v. Primrose 3 Senior Care Home LLC

TENTATIVE RULING

On May 7, 2026, this Court continued the instant motion on the grounds that it could not be determined what matter was actually before the Court for hearing on that date. Accordingly, the Court continued the hearing for Petitioner to either file the Motion to Compel Arbitration and any supporting papers, or file a supporting declaration clarifying Petitioner's intended relief and identifying which matter Petitioner seeks to have heard on the continued hearing date.

Moving papers were to have been filed no later than May 20, 2026. To date, no supplemental moving papers have been filed, identifying what motion is to be heard.

Accordingly, the Court hereby takes the hearing of Petitioner's Motion to Compel Arbitration off calendar as MOOT.

THE COURT SETS AN OSC RE DISMISSAL FOR FAILURE TO PROSECUTE PURSUANT TO CRC 3.1340(a). A declaration showing cause why the action should not be dismissed for failure to prosecute is due 5 court days before the hearing.

Court Clerk to give notice.

Parties who intend to submit on this tentative must send an email to the Court at indicating intention to submit on the tentative, and copying all parties in the email communication. Please be advised that if you submit on the tentative and elect not to appear at the hearing, the opposing party may nevertheless appear at the hearing and argue the matter. Unless you receive a submission from all other parties in the matter, you should assume that others might appear at the hearing to argue. If the Court does not receive emails from the parties indicating submission on this tentative ruling and there are no appearances at the hearing, the Court will adopt the tentative as the final order, or take the matter off calendar at its discretion.
