Arman A. Khachikyan v. Volkswagen Group
of America, Inc., et al.

Plaintiff propounded Requests for

Production of Documents, Set Two on January 26, 2026, on Defendant.

(Declaration of Troy Sanders ("Sanders Decl."), ¶ 21; Ex. 3.) On February 27, 2026, Defendant served responses but did not produce any responsive documents requested. (Sanders Decl., ¶ 22; Ex. 4.) Plaintiff now seeks to strike the objections and compel further responses to Requests for Production ("RPD") nos. 1-131.

RPD No. 1:

Deny. Duplicative of RPD One No. 4 (Sivasangary Decl., Ex. A p. 3.)

RPD No. 2:

Grant in full. Although Defendant states in opposition that it will provide supplemental responses, Defendant provides no evidence that supplemental responses have been provided to this request. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

RPD No. 3:

Grant in full. Not duplicative as Defendant argues because RPD One No. 10 asks for summaries of warranty repair histories,

this request asks for the native format. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

RPD No. 4:

Deny. Duplicative of RPD One No. 1
(Sivasangary Decl., Ex. A p. 2.)

RPD Nos. 5-46:

Grant in full. Although Defendant states in opposition that it will provide supplemental responses, Defendant provides no evidence that supplemental responses have been provided to this request. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

RPD No. 47:

Grant in full. Not duplicative as Defendant argues because RPD One Nos. 15-22 ask for documents regarding emission and electronic defects, but this requests asks for documents regarding policies, procedures, or guidelines for determining whether a vehicle is eligible for a repurchase under the Song-Beverly Act. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

RPD Nos. 48-77:

Grant in full. Although Defendant states in opposition that it will provide supplemental responses, Defendant provides no evidence that supplemental responses have been provided to this request. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

RPD No. 78:

Deny. Plaintiff has not shown good cause for such a broad request for all communications between Defendant's customer service line and Defendant's authorized repair facility in requesting repair orders to evaluate a repurchase request.

RPD Nos. 79-131:

Grant in full. Although Defendant states in opposition that it will provide supplemental responses, Defendant provides no evidence that supplemental responses have been provided to this request. Defendant shall provide code compliant responses within 10 days and all responsive documents within 20 days.

Plaintiff to give notice.
