Case Number: 25STCV35420 Hearing Date: July 16, 2026 Dept: 517

The Court is granting in part Plaintiff's motion to enforce the Court's March 25, 2026 order, which required Defendants to pay monetary sanctions to Plaintiff in the amount of \$1,8300 in connection with a discovery motion that Plaintiff had filed.

The Court is granting the motion to the extent it seeks an order requiring Defendants to pay those sanctions. The payment is overdue. Defendants contend that it paid the sanctions. If that is correct, then the request for payment is moot.

The Court also is granting the motion to the extent that it seeks an order imposing further monetary sanctions of \$,1765 against Defendants, which reflects the attorney's fees and costs that Plaintiff says she incurred in connection with this motion to enforce the March 25, 2026 order.

The motion is denied to the extent that it seeks an order imposing monetary sanctions against Defendants in the amount of \$1,500 for violating the March 25, 2026 order.
