Chavez v. Krazy J's, et al., Case No. 19STCV46265

The Court's Proposed Statement of the Case

Plaintiff Abel Chavez ("Plaintiff") was punched outside a bar in downtown Pomona. Plaintiff alleges that he sustained various injuries, including a broken jaw, loss of consciousness, and a traumatic brain injury. Defendants Daniel Leon, S & J Pomona (aka Krazy J's), Pomona Fox Theater LLC, and Pomona Fox Theater Manager, LLC ("Defendants") dispute the nature and extent of Plaintiff's claimed injuries.

In an earlier phase of this bifurcated trial, a jury determined that Defendants are responsible for the harm Plaintiff suffered as a result of the incident. Liability is therefore not at issue in this phase of the trial.

Your role in this second phase is solely to determine the amount of damages, if any, that will reasonably compensate Plaintiff for the harm stemming from the incident found to have been caused by Defendants.
