Case Number: 26LBCV00036 Hearing Date: July 16, 2026 Dept: S27

1. Background

Facts

Plaintiff, Neel Karia filed this action against Defendants, City of Long Beach, City of Los Angeles, Securitas Security Services, and the Superior Court of Los Angeles County for various unspecified claims. It appears Plaintiff is alleging Defendants have assaulted, battered, and/or harassed him, but there is no cause of action specified in the complaint.

2. Motion

for an Order Requiring Plaintiff to Post Security

The Honorable Nicole Heeseman

declared Plaintiff a vexatious litigant on 1/06/26 in 25LBCV01194. CCP §391.1(a) permits the Court to order a litigant who has been declared vexatious to post bond in order to continue to pursue an action if the Court finds the litigant is not likely to be successful in the prosecution of the action.

Plaintiff failed to timely oppose the motion and therefore necessarily failed to show he is likely to prevail on the merits of his action. The motion is granted.

Defendant seeks an order that

Plaintiff post security in the amount of \$10,000. The Court finds the amount reasonable. The Court notes that the City of Long Beach

joins the motion and also seeks bond in the amount of \$10,000. It is unclear if the two cities are seeking

to have two separate bonds posted, or if one bond in the amount of \$10,000 is the relief collectively sought by the two cities. The Court finds one bond is sufficient. The motion is granted. Pursuant to §391.6, this action is stayed unless and until Plaintiff posts bond in the amount of \$10,000. Plaintiff must post bond within thirty days. A failure to do so may result in dismissal of the action per §391.4.

3. Demurrer

The demurrer will be moot in the event Plaintiff does not furnish the necessary security. The Court continues the hearing on the demurrer for 45 days, to Thursday, 8/17/26 at 8:30 a.m. in Department S27. The Court will hear the demurrer if and only if the case has not been dismissed due to failure to timely post bond.

The parties are reminded that there is an OSC re: failure to file proof of service and Case Management Conference on calendar today concurrently with the hearing on the above motions. The Court asks the parties to make arrangements to appear remotely at the hearing.
