Case Number: 24SMCV00754 Hearing Date: July 16, 2026 Dept: I

This is an application to shorten time to hear defendant LA

County's MSJ or continue the trial. The

trial date is November 2, 2026. The MSJ

was filed and served personally on July 13, 2026. That means that the earliest possible date

for the hearing would be October 2, 2026, a Friday, which is the last possible

day to hear the motion that is at least 30 days before the trial. The current hearing date is October 15,

2026. Under the law, defendant has a

right to have the motion heard, although the court would generally not advise

filing papers on the last possible day.

The court is not inclined to move the trial date back or the hearing

date forward. What the court will do is

GRANT the application and exercise the court's discretion to hear the motion on

the current date, October 15, 2026, even though that is less than 30 days

before trial.
