[TENTATIVE] ORDER GRANTING PETITION TO CONFIRM ARBITRATION AWARD

On July 18, 2024, the Hon. Anne

Richardson, granted Defendant's motion to compel arbitration of this action.

The arbitrator granted the employer's motion for summary judgment. (Exhibit C.)

Defendant requests an order confirming the award. Defendant served the motion on Plaintiff, who did not file an opposition.

Where a petition to confirm the arbitration award is duly served and filed, "the court shall confirm the award as made, whether rendered in this state or another state, unless in accordance with this chapter it corrects the award and confirms it as corrected, vacates the award or dismisses the proceeding." (Code Civ. Proc., § 1286.)

If the court confirms the award, "judgment shall be entered in conformity therewith. The judgment so entered has the same force and effect as, and is subject to all the provisions of law relating to, a judgment in a civil action of the same jurisdictional classification; and it may be enforced like any other judgment of the court in which it is entered, in an action of the same jurisdictional

classification." (Code
Civ. Proc., § 1287.4.)

Plaintiff did not request an order to
correct or vacate the award. Accordingly, the motion is GRANTED.
