Petitioner

ELISA

STEPHANIE CARRILLO ROJAS (Petitioner) petitions for approval of compromise of claim or action or disposition of proceeds of judgment for minors ABRAHAM ALEXANDER CASTRO and ALHIA SARAHI CASTRO (Minor Claimants).

Background

Plaintiffs

filed suit against their former landlord for habitability and retaliation

issues. Plaintiffs allege exposure to uninhabitable conditions have resulted in Plaintiffs' suffering damages. The Complaint was filed on October 8, 2025. On or about May 1, 2026, Plaintiffs and Defendants settled the case. Upon approval of Minor Claimants' Compromise, all claims on behalf of Plaintiffs will be dismissed against Defendants.

Legal Standard

Court approval is required for all settlements of a minor's claim. (Probate Code §§ 3500, 3600, et seq.; Code Civ. Proc., § 372.) Pursuant to California Rules of Court, Rule 7.952(a), Petitioner and Claimants are required to attend the hearing on the petitions unless the court for good cause dispenses with their personal appearance.

Discussion

Petitioner seeks approval of the settlements between Minor Claimants and Defendants. The petition provides that Plaintiffs settled for \$7,500 for each minor.

The Court finds that the settlement is fair and reasonable. The \$1,875.00 in attorney's fees requested for each minor, which constitutes 25% of the gross settlement amount, is reasonable. The Court generally finds an award of 25% is reasonable for a minor's compromise. Counsel's declaration regarding the substantial time and effort expended litigating this action and the results obtained for minor claimants' benefit is sufficient to justify the award. Separately, Petitioner also requests reimbursement of \$627.32 for other expenses paid by the petitioner or petitioner's attorney.

Petitioner's request is GRANTED.
