Request for protective order:

The court reminds the parties in this case of the court's previously issued protective order. Any documents filed in the Inglewood court with respect to the pending restraining order hearing which are covered by the protective order in this case are still subject to that protective order, regardless of where other cases involving the parties are located.

Plaintiff is ordered to deliver to the court in Inglewood (with a Request for Judicial Notice) this court's 8/1/2024 protective order and 5/19/2026 email service order so that its orders will not conflict with the orders in this case.

It cannot be stressed enough that confidential documents in this case subject to the court's protective order here should not be filed with the court in any proceeding unless pursuant to the protections of the 8/1/2024 protective order.
