Case Number: 25SMCV02836 Hearing Date: July 2, 2026 Dept: I

This is an unopposed motion for an out of state commission to obtain documents. The witness involved as an out of state hospital that might have relevant records.

The court is inclined to GRANT the request, but the court wants to be sure that the subpoena is narrowly tailored. The court's initial read is that it might not be limited to medical records pertinent to the litigation, and if that is the case, it needs to be narrowed.
