Case Number: 23SMCV03744 Hearing Date: September 1, 2026 Dept: I

The matter is here for an FSC. It was also here for resolution on a motion that the case should be tried to the court and not a jury, but apparently all parties have agreed to waive jury, so the matter will proceed as a bench trial.

The CMC was held on January 9, 2025, and a mediation completion date was set for February 28, 2026.

The court has received the following FSC Materials: (1) Witness list suggesting about 15 or so hours of testimony from 5 witnesses; (2) Joint Exhibit List with 108 exhibits; (3) Joint Deposition Chart (with almost all of the depositions designated); (4) Trial Briefs.

It appears that the case is READY FOR TRIAL.

The court is currently in trial next week. However, as this might really be 2 or three days of bench trial, the court will discuss timing with the parties.
