Case Number: 26STCV01847 Hearing Date: July 6, 2026 Dept: 517

Plaintiff's motion to strike aspects of Defendant's answer is denied. The nature of Plaintiff's challenges to the sufficiency of the pleading of Defendant's answer are such that they should have been made by a demurrer, not a motion to strike. In any event, Plaintiff's challenges fail because the portions of the answer that are the subject of the Plaintiff's motion are sufficiently pled.
