25NWLC05886: LVNV FUNDING LLC vs ROBERTA FLORES MATEO

Tentative Ruling:

On April 8, 2026, the Court set Plaintiff LVNV Funding LLC's ("Plaintiff") filed its third Application for Ex Parte Order for Entry of Judgment, which the Court set for hearing on July 10, 2026.

The first application was filed on October 13, 2025 and second application was filed on December 3, 2025. Both applications, and the related judgments, were rejected because Defendant's first appearance fee had not been paid.

The Court has read and reviewed Plaintiff's third Application for Order for Entry of Judgment, including the declaration of counsel in support of entry of judgment pursuant to stipulation. The Court has also read and reviewed the attached Settlement Agreement and Stipulation for Entry of Judgment Upon Default ("Stipulation"). The Stipulation is undated and the signature by Defendant is unclear.

The Court also notes that in the Stipulation Plaintiff agreed to pay \$1,406.40, as indicated in Paragraph 2 of the Stipulation and Paragraph 3 of the Application. In contrast, and without any explanation, Plaintiff seeks judgment in the principal amount of \$1,718.15 and costs of \$480.50 for a total judgment of \$2,198.65. There is no explanation why the principal amount requested is higher than the amount agreed upon in the Stipulation. The Court also notes that the costs requested in the judgment different (\$279.50) than the the costs requested in the application (\$480.50).

Accordingly, Plaintiff's third Application for Ex Parte Order for Entry of Judgment is DENIED without prejudice.

Plaintiff to give notice.
