Case Number: 25STCV17754 Hearing Date: July 13, 2026 Dept: 517

Defendant's motion for an order (1) compelling Plaintiff to provide responses to the request for production of documents ("RFPs") that Defendant propounded on Plaintiff, and (2) imposing monetary sanctions against Plaintiff, is denied in part and granted in part.

The motion is denied to the extent it sought an order compelling Plaintiff to respond to the RFPs. After Defendant filed the motion, Plaintiff provided Defendant with responses to the RFPs. Defendant does not contest that Plaintiff's responses comply with the requirements of the Code of Civil Procedure. At this stage, there is nothing to compel Plaintiff to provide.

The motion is granted to the extent that it sought an order imposing monetary sanctions against Plaintiff. Plaintiff's responses to the RFPs were untimely. Plaintiff did not respond until after Defendant filed the motion. Plaintiff has failed to show substantial justification for delaying that long before providing the responses to the RFPs. Nor under the circumstances does the Court discern any injustice that would result from imposing monetary sanctions against Plaintiff. The Court is awarding Defendant \$918, which, per the motion, reflects the amount of the attorney's fees that Defendant incurred in having to file the motion to force Plaintiff to provide responses to the RFPs. The sanctions are payable to Defendant within 30 days of this order.

At the case management conference that is on calendar on July 13, 2026, the Court will inquire of Plaintiff's counsel whether Plaintiff is still pursuing a claim against the "Doe" manager of Defendant, who has yet to be served with the summons and complaint in this action.
