Case Number: 26SMCV00512 Hearing Date: July 15, 2026 Dept: I

These are two motions to compel initial responses. There were no responses to discovery that appears to have been properly served and defendant does not seem to be answering plaintiff's requests as to when responses will be filed. There appears to be no reason why the motions should be granted and so they are GRANTED.

Sanctions will be awarded as against defendant in the amount of \$1061 for the two motions combined, but not former counsel, as prayed, payable within 30 days. Verified code-compliant responses without objections other than privilege will be served within 30 days. If a document is withheld on privilege, a log will be provided at the same time. Responsive documents will be produced at the same time.
