Ex parte application to continue the trial: It depends. First, the court will not continue a trial based on conflicts with other trials.

Concerning this expert, there is no guarantee that this expert will be able to testify in 7 months. Ordinarily, if an expert is sick or dies, counsel will seek to replace the expert. Is this fair to the client who has been waiting 2 years and 9 months for trial to make her wait another 6 months?

The court notes there is another DDS on the expert list for plaintiff.

Finally, the court has already given plaintiff a 5 month trial continuance in July.
