TENTATIVE RULING –
MOTION TO CONSOLODATE

25VECV04656

Hearing Date:

Monday, July 6, 2026

Case Name:

Jeremy Kina v.
Leonard Jefferson, et al.

Case No.:

25VECV04656

MOTIONS

Motion to Consolidate

Moving Party:

Defendants Leonard Jefferson and Omnicom
Group, Inc.

Ruling:

The Court GRANTS
Defendants' Motion to Consolidate.

Relevant
Background:

This is a motor
vehicle personal injury case. Plaintiff Jeremy Kina alleges that on January 27,
2024, he was driving south on I-405, when Defendants Leonard Jefferson and
Omnicom Group, Inc., negligently caused a large multi-vehicle accident.
Plaintiff alleges he was injured as a result of Defendants' negligence.

On August 18,
2025, Plaintiff brought suit against Defendants, alleging motor vehicle and
general negligence.

On December 9,
2025, non-party Carlos Henriquez also filed a suit against Leonard Jefferson
and Omnicom Group, Inc., as well as multiple other defendants, alleging both
motor vehicle and general negligence. (Case No. 25VECV07022.) This case is also
based on the accident that occurred on January 27, 2024, on I-405. The cases have been deemed related.

Now, Defendants
move this Court to consolidate the related cases.

Analysis:

Defendants Leonard
Jefferson and Omnicom Group, Inc. move this Court to consolidate this case (25VECV04656)
with Case No. 25VECV07022. (Mot. to Consolidate, p. 4:11-17.)

i)
Procedural
Requirements

Consolidation of

cases is governed by CRC Rule 3.350. Under this rule, a motion to consolidate must: "(A)

List all named parties in each case, the names of those who have appeared, and the names of their respective attorneys of record; (B) Contain the captions of all the cases sought to be consolidated, with the lowest numbered case shown first; and (C) Be filed in each case sought to be consolidated." (CRC Rule 3.350(a)(1).)

Here, Defendants

have met all of these requirements. First, they list out all the named parties in each case, as well as their respective attorneys. (Mot. to Consolidate, pp. 5:4-6:11.)

Second, they caption the two cases they seek to consolidate, with the lowest numbered case listed first. (Id. pp. 4:22-5:3.) Third Defendants filed notice of this motion in the related case. (See Notice of Motion to Consolidate Related Actions, 25VECV07022.)

Thus, the

procedural requirements have been met.

ii)

Legal

Requirements

Next, the Court

will determine whether consolidation is appropriate in this context.

Under CCP § 1048,

"[w]hen actions involving a common question of law or fact are pending before the court, it may order a joint hearing or trial of any or all the matters in issue in the actions; it may order all the actions consolidated and it may make such orders concerning proceedings therein as may tend to avoid unnecessary costs or delay." (CCP § 1048(a).)

Here, the Court finds

that these two actions involve common questions of law and fact. As Defendants point out in their papers, both cases arise out of the same January 27, 2024, multi-car accident. (Mot. to Consolidate, p. 8:20-27; see also Compl. p. 4; see also, Compl. Re: 25VECV07022, p. 4.) Defendants are defendants in both cases, and the causes of action brought against them are the same. (Ibid.) Moreover,

the parties in both cases have stipulated to consolidation. (Id. Ex. A.)

For these reasons,
the Court GRANTS Defendants' Motion to Consolidate.

Conclusion:

The Court GRANTS
Defendants' Motion to Consolidate.

Moving party to
give notice.
