Khackikyan v. Volkswagen Group of America,
Inc., et al.

Defendant Volkswagen's Motion to Compel
Vehicle Inspection

BACKGROUND

This is a lemon law action. On May 24, 2024,
Plaintiff Arman Khachikyan filed a complaint against Defendants Volkswagen
Group of America, Inc. and LAD-V, LLC for violations of the Song-Beverly Act
and negligent repair arising from Plaintiff's purchase of a 2022
Volkswagen Jetta.

DISCUSSION

Defendant moves to compel inspection of
Plaintiff's vehicle. Defendant represents that Plaintiff has refused to make
the vehicle available since Defendant requested inspection in June 2024.
Defendant asserts that good cause exists for the inspection because the state
of the vehicle is directly relevant to this action. The Court agrees. Plaintiff
does not oppose. The Court grants Defendant's motion to compel vehicle
inspection.

CONCLUSION

The Court grants Defendant's motion to compel
vehicle inspection.

Defendant to give notice.
