MINOR'S COMPROMISE

MOVING PARTY: Plaintiff, Armine Boshyan

RESPONDING PARTY: Unopposed/Defendants, Regi Rent a Car and Natalya Vasilyevna Dzhafarova

RELIEF REQUESTED

Minor's Compromise

SUMMARY OF ACTION

On June 28, 2024, Plaintiffs Armine Boshyan and Hovannes Bekarian, a minor, by and through his Guardian ad Litem Armine Boshyan, filed the instant negligence action against Defendants Natalya Vasilyevna Dzhafarova and Regi Rent a Car following a car accident.

RULING: Granted.

Plaintiff Armine Boshyan submits a petition for approval for minor's compromise on behalf of 14-year-old Hovannes Bekarian.

The petition indicates a settlement of \$30,000 with Defendant Regi Rent a Car. The settlement amount is subject to \$10,000 in attorney fees and \$650 in medical expenses to be paid to providers, resulting in a net deposit of \$19,350. The Court accepts counsel's representation regarding challenges in investigating the minor's claims and finds the requested attorney fees reasonable in light of counsel's experience and the contingent nature of the representation (see generally Attachment 13a).

The Court notes that item 14 of the petition requires "proofs of the fees and expenses incurred and the payments made or obligations to pay incurred" but no such attachments are included for the medical expenses. The amount of fees and net deposit in the proposed orders approving compromise and deposit of funds in blocked account also do not match the amounts listed in the petition. Plaintiff is to provide the requisite attachments and revised proposed orders at or before the hearing. The Court otherwise approves the petition.

The minor's \$19,350 net balance to be deposited into the identified depository (Attachment 18b(2)).

Plaintiff to give notice.
