This is a personal injury action.

Defendant Andranik Margaryan seeks to compel further responses to his special interrogatories, form interrogatories, and request for production from Plaintiff.

The Motions as to special and form interrogatories are granted. These interrogatories seek basic information about Plaintiff's damages and injuries. The objections lack merit, and the responses are evasive and incomplete.

The Motion as to request for production no. 25 is denied. This request is overbroad in seeking all of Plaintiff's medical records in the 7-year period before the subject incident.

Plaintiff is sanctioned \$1,000, payable within 30 days.

Moving party to give notice.
