Bone v. So-Cal

Capital, Inc.

25STCV35994

Plaintiff's Motion for Reconsideration

Tentative Ruling

Plaintiff's motion for reconsideration of
the Court's order dated July 15, 2026, is denied.

Although Plaintiff asserts that reconsideration
is warranted because he attempted, unsuccessfully, to file an opposition to the
motion that was set for hearing on July 15, Plaintiff presents no supporting
declaration or other evidence in support of his request. A motion must be supported by evidence
(usually in the form of a declaration).

Here, Plaintiff offers none.

Defendants are ordered to
give notice.
