Case Number: 24SMCV03128 Hearing Date: July 14, 2026 Dept: I

This is a motion for summary judgment. It is based on the theory that defendant has tacitly admitted the truth of plaintiff's allegations. More specifically, plaintiff served requests for admission, but there was no response.

This motion followed. While the motion was pending, plaintiff brought a motion to deem the RFAs admitted, which was granted unless the defense had responded before the hearing. (The court still does not know if defendant had responded). However, that was months after the motion was brought and cannot therefore form the basis for the motion. Absent the admissions, there is really nothing to support the motion and the motion is, therefore, DENIED.
