Case Number: 26STCV01349 Hearing Date: June 26, 2026 Dept: 9

On June 17, 2026, the parties filed a Joint Initial Status Conference Statement advising that "[t]he Parties have entered into an agreement to resolve Plaintiff's claims alleged in this action upon an individualized basis. As part of the settlement agreement, Plaintiff will file a request to dismiss his individual claims in this action with prejudice, and will file a request to dismiss the putative class and representative PAGA claims alleged in this action without prejudice."

The Parties anticipate that, within approximately 60 days, Plaintiff will file a request for dismissal of his individual claims in this action with prejudice, and will file a request for dismissal of the putative class and representative PAGA claims alleged in this action without prejudice. Therefore, the Parties have requested that the Court continue the Initial Status Conference hearing by approximately 90 days or a date thereafter that may be convenient for the Court.

The Court reminds the parties that for a settlement that includes dismissal of class action claims, plaintiff must comply with CRC 3.770 and file CRC 3.770 dismissal documents (including a declaration describing whether class members have been notified of the pendency of the class claims; whether any consideration is being given for dismissal of class claims; what if any consideration, direct or indirect, is being given for the (individual) settlement; and whether there is any other potential prejudice to class members). Please do not use Judicial Council Form Civ-110, Request for Dismissal.

The parties' joint request to continue the initial status conference is granted. The initial status conference is continued to September 28, 2026 at 8:30 AM.

If the action remains pending and has not been dismissed by 9/21/26, then by no later than September 21, 2026, the parties are to file an updated joint initial status conference statement in compliance with the Court's initial status conference order.

Plaintiff is ordered to give notice of this minute order and file proof of service of such.
