PRESIDING: HON. MATTHEW A. SIROKA

PETITIONER: CRYSTAL C. RAMIREZ

and

RESPONDENT: JUAN CARLOS RUIZ DE LA TORRE

NATURE OF PROCEEDINGS: REQUEST FOR ORDER – CHILD SUPPORT

RULING

This matter is before the Court on Respondent/Father's April 01, 2026 Request for Order (RFO) for a modification to child support orders regarding the parties' son, Jeancarlos (DOB: 09/21/2011). Petitioner/Mother was personally served, and she has not filed a response. The parties' May 29, 2019 Dissolution Judgment ordered Father to pay \$765 in child support. The matter was heard on June 9, 2026. Both parties were present in person and had a Spanish language interpreter. The Court set child support at zero effective April 1, 2026, referred the parties to the Legal Self Help Center for assistance with submitting the financial documents (as required by MCR Fam 7.13) by July 10, 2026, stated it would continue to utilize zero income for Mother unless the Court received additional information, and set the matter for further hearing.

Neither party submitted additional information.

The Court will use the following information to calculate guideline child support:

- Zero income for Mother
- Zero income for Father
- 28% timeshare for Father.

Based on the foregoing information, child support is set at zero, effective April 1, 2026, and continuing until further court order, until the child marries, dies, is emancipated, reaches age 19, or reaches age 18 and is not a full-time high school student, whichever occurs first. See attached XSpouse calculation.

As authorized by CRC Rule 5.125, the Court shall prepare the formal Findings and Order After Hearing.

NATURE OF PROCEEDINGS: REQUEST FOR ORDER –VISITATION

RULING

This matter is before the Court on Petitioner/Father’s May 26, 2026 Request for Order (RFO) for visitation and a DNA test regarding the parties’ daughter Alexa (DOB 02/01/2015). Respondent/Mother filed her response on June 24, 2026.

Visitation

Father requests unsupervised visitation and DNA testing. Father stated that he completed his Rally visitation program. What he submitted was proof of completion of the intake form for Rally.

Both parties were interviewed together by Family Court Services (“FCS”), and FCS filed its Report & Recommendations with the Court on July 17, 2026.

Based on the information before the Court, it appears that the best interest of the minor child, Alexa, will be served by adopting the FCS recommendations as modified herein.

1. Alexa shall have professionally supervised visits with Father one time each week. While waiting for Rally’s availability, they may have supervised video visits. The video visits may be supervised by a responsible adult of Mother’s choosing.
2. The family shall be referred back to Family Court Services in October in order for Alexa to be interviewed and the situation reviewed.

The matter is continued for a review hearing on October 13, 2026.
