2. CU0002393 Bobbie Davida Lowe vs. Benjamin Matteo

No appearances required on June 8, 2026. On its own motion and due to the Court's unanticipated unavailability, the Court continues the OSC re Dismissal to June 18, 2026, at 9:00 a.m., in Department A. Appearance is required by Plaintiff at the continued hearing to show cause as to why this case should not be dismissed and/or Plaintiff sanctioned for failure to serve the Summons and Complaint on Defendant via some approved method after the Court granted multiple extensions to the order to show cause hearing. The Court notes, on April 27, 2026, it ordered Plaintiff to file a proof of service, an application to serve by publication (if deemed appropriate), or a request for dismissal of defendant in advance of the present order to show cause date. No such actions have been taken, with Plaintiff instead filing another Declaration of Non-Service on May 21, 2026. The Court also notes the Declaration reflects only one further attempt to serve Plaintiff between March 31, 2026 and May 21, 2026, a period of nearly two (2) months.
