Court Room Rules and Notices

#	Case Name	Tentative
1	Longaberger -Trust; 30-2021-01183818	
2	Thomas – Probate 30-2022-01249934	Motion to Disqualify Administrator Randall Sharp’s Motion to Disqualify Administrator James L. Leestma (ROA 147) is DENIED without prejudice to the motion being refiled as a petition. A request to remove an administrator and a request to appoint a successor administrator must be made on petition (Prob. Code, §§ 8500 [“Any interested person may petition for removal of the personal representative from office. A petition for removal may be combined with a petition for appointment of a successor personal representative”] and 8522 [“Appointment of a successor personal representative shall be made on petition and notice shall be delivered to interested persons in the manner provided in Article 2 (commencing with Section 8110) of Chapter 2”].) Here, Sharp attempted to file the request as both a motion and a petition. However, the motion was rejected (ROA 148) for filing because it was improperly titled. The memorandum of points and authorities was accepted for filing (ROA 147). However, there is no motion on file. Even if the motion had been accepted for filing, it would be deemed a petition and set for hearing at a later date and time in the proper department. The unfiled motion is denied. The denial is without prejudice to the motion being refiled as a petition. Moving party is required to give notice of this ruling.
