4	30-2019-01114752 Scoggins vs. Taber Company, Inc.	The tentative ruling is to continue the hearing on Plaintiff L'Renzo Vincente Scoggins' ("Plaintiff") Motion for Final Approval of Class Action and PAGA Settlement to November 2, 2026 at 1:30 p.m. Counsel must file supplemental papers addressing the court's concerns (not fully revised papers that would have to be re-read) at least 16 days before the next hearing date. An enhancement award of \$7,500 is sufficient and proper for a class and settlement of this size, based on plaintiff's contribution to the case. The court is inclined to grant approval of an attorneys' fees request of only 30% of the gross settlement amount, which the court finds fair, adequate and reasonable for the settlement of this size. There is no explanation for the change in the number of aggrieved employees to 338, when the number was estimated, to be 256 at the preliminary approval stage. An invoice from the Administrator is required to support the \$11,410.00 Administrator fee request. Plaintiff must provide a [Proposed] Order and Judgment, which must include the following: • The [Proposed] Order and Judgment must identify the putative class member who opted out and thus will not be bound by the judgment. • The [Proposed] Order must be captioned as [Proposed] Order and Judgment. • The [Proposed] Order and Judgment must also provide how the parties will comply with CRC Rule 3.771(b), which states: "Notice of the judgment must be given to the class in the manner specified by the court." The notice may be included with the checks that are mailed to the class members or posted on the administrator's website. • The [Proposed] Order and Judgment must not include a dismissal of the action pursuant to Cal. R. Ct., R. 3.679(h).
