(Code Civ. Proc., § 2016.040(a).) "A determination of whether an attempt at informal resolution is adequate ... involves the exercise of discretion." (<i>Obregon v. The parties are ordered to engage in additional meet and confer efforts, including an in-person, telephonic, or videoconference meeting of counsel, no later than 28 calendar days before the continued hearing date. The parties are ordered to file a joint statement of remaining issues, including a description of the additional meet and confer efforts, not to exceed 10 pages, no later than calendar 9 days before the hearing. The Court shall decide the issue of sanctions at the continued hearing date.
