

		mix of objections and substantive responses. The Responses were unverified. The parties agreed to extend Petitioner's time to bring this motion to 10/10/25. Efforts to meet and confer were unsuccessful. As to form interrogatories 2.1(b) and (c), 2.2, 2.5, 2.6, and 2.7: Respondent's objections are without merit. Moreover, Respondent waived all objections by not timely responding to the discovery and accepting the conditional extension of time. (Code Civ. Proc. § 2030.290(a).) As to form interrogatory 17.1: Respondent's alleged response as set forth in Petitioner's separate statement (ROA 131, 10:17-20) does not match the response provided in Respondent's responses to form interrogatories attached as Exhibit 4 to the Declaration of Anthony Marcus (ROA 147, Marcus Decl., Ex. 4, 5:14-15:1). Thus, the court makes no finding as to the substance of said response. The response must still be verified. Respondent shall serve further responses to all form interrogatories, under oath and without objection, within 20 days of notice of this ruling, extended for method of service. Pursuant to Code of Civil Procedure sections 2023.010 and 2030.290(c) and California Rules of Court, Rule 3.1348, the court imposes reasonable sanctions of \$1,750 on Respondent payable to Anthony Marcus Law Firm within 30 days of notice of this ruling, extended for method of service, or any later date as agreed upon by the parties in writing.

8	Justin – Trust; 30-2023-01357386	MOTION COMPEL ANSWERS TO INTERROGATORIES Respondent James Hicklin's Motion to Compel Further Responses to First Set of Special Interrogatories and Request for Sanctions (ROA 449) is DENIED as moot regarding the request for further responses. On the issue of sanctions, Respondent should be prepared to explain more fully the relevance of the subject interrogatories, which inquire into the relationship, if any, between petitioner and his counsel prior to the retention of counsel for this proceeding. In the motion, Respondent

		asserts the details of any relationship or friendship between petitioner and his counsel before counsel was retained “are probative of potential collusion or undue influence affecting Ms. Justin’s estate and the administration and litigation of the Trust, and they may bear on bias, credibility, and ethical issues.” (Motion at 8:18-20.) The court would appreciate a fuller explanation of this statement. Petitioner, on the other hand, should be prepared to address whether her efforts in the meet and confer process satisfied the statutory requirements.
9	Bent – Probate; 30-2024-01429924	MOTION COMPEL ANSWERS TO INTERROGATORIES (2) Petitioner James Sullivan’s Motion to Compel James C. Bent to Answer Form Interrogatories, etc. (ROA 123) is DENIED. Petitioner James Sullivan’s Motion to Compel James C. Bent to Answer Special Interrogatories, etc. (ROA 124) is DENIED. Petitioner sought to compel James C. Bent (Bent) to respond to special and form interrogatories. Responses were served on 5-12-26—after the motion was filed but before the hearing. (ROA 53.) Accordingly, the requests to compel responses are denied as moot. The court also denies the request for sanctions. The proofs of service attached to the subject discovery show service to Bent only at 13250 Cholla Road, Whitewater, California 92282. However, Bent does not reside at that address. Prior to service of the discovery, Bent filed and served one document in this proceeding, a “Motion for Continuance of Appointment of James T. Sullivan as Administrator.” (ROA 98.) That document showed only an email address; no physical address was included. Because the discovery was not properly served on Bent, the request for sanctions is DENIED. In his opposition, Bent notifies the court and the parties that—for any future filing—he can be served at P.O. Box 273, Rancho Mirage, California 92270. The court directs the clerk to give notice of this ruling.
