

		Inc. (Respondent). As more fully set forth below, the Petition is GRANTED. This case arises from a contract between Petitioner and Respondent whereby Respondent agreed to pay Petitioner a percentage of an Employee Retention Tax Credit (ERC) received by Respondent. On July 15, 2025, Judge Kirk Nakamura (Ret.), issued a Final Award of \$92,486.97 plus costs in the amount of \$15,876.40 in favor of Petitioner and against Respondent. Code of Civil Procedure §1290.2 provides as follows: "A petition under this title shall be heard in a summary way in the manner and upon the notice provided by law for the making and hearing of motions, except that not less than 10 days' notice of the date set for the hearing on the petition shall be given." Once a party to an arbitration files a petition to confirm, correct, or vacate an award, a response must be filed and served within 10 days after service of the petition, unless a judge extends, or both parties agree to extend, this deadline. (Code Civ. Proc., § 1290.6). If a response is not filed by the deadline, the allegations of the petition are deemed admitted by the respondent. (Code Civ. Proc., § 1290.) Here, there has been no response to the petition by Respondent. Further, the court finds that the Petition complies with the requirements of Code of Civil Procedure section 1285.4. A copy of the Engagement Letter is attached as Attachment 4(b) to the petition. The penultimate paragraph of the Engagement Letter includes the arbitration provision. The Petition sets forth the name of the arbitrator, Judge Kirk Nakamura (Ret.). Finally, a copy of the JAMS Arbitration Final Award, dated July 15, 2025, is attached as Attachment 8(c). As the Petition complies with CCP §1285.4, and there has been no response to the Petition, the Petition is GRANTED and the arbitrator's Final Award is CONFIRMED. Petitioner's counsel is ordered to submit a proposed judgment and to give notice of this ruling.
