5.	Palacios vs. FCA US, LLC. 25-01464074	Motion to Compel Production Plaintiff Yereli Palacios' Motion to Compel Compliance with CCP § 871.26(h) is CONTINUED to August 7, 2026, at 9:30 a.m. in Department C12. Prior to filing a discovery motion, a "meet and confer declaration in support of a motion shall state facts showing a reasonable and good faith attempt, either in person, by telephone, or by videoconference, to informally resolve each issue presented by the motion." (Code Civ. Proc., § 2016.040(a).) Here, Plaintiff failed to meet and confer <i>prior</i> to filing the motion. Therefore, the hearing is continued to allow the parties to engage in a meaningful meet and confer. The Court disagrees with Plaintiff's position that no meet and confer is required in this context. The parties/counsel are ORDERED to engage in additional attempts to meet and confer <i>in person, telephonically, or over remote videoconferences (not email)</i> by June 26, 2026. The parties/counsel are ORDERED to file a JOINT STATUS REPORT indicating whether court intervention remains the only option to resolve this discovery dispute, and if so, why. This Joint Status Report shall be filed by July 24, 2026. Clerk to give notice of this ruling.
