12	Steele-Ramirez vs. Project Partners Inc. 2023-01361715	Plaintiff's Motion for Final Approval The Court has reviewed the supplemental briefing filed in response to the prior minute order. The motion for approval of the parties’ PAGA settlement is GRANTED. The Court finds the parties’ settlement is “fair, reasonable, and adequate in view of PAGA’s purposes to remediate present labor law violations, deter future ones, and to maximize enforcement of state labor laws.” (<i>Moniz v. Adecco USA, Inc.</i> (2021) 72 Cal.App.5th 56, 72.) The Court approves the following distributions: 1. Attorneys’ fees in the amount of \$35,595, or 30% of the GSA. The Court finds this amount to be a reasonable result in light of the quality of the result obtained, the work performed by counsel, and the estimated lodestar. In approving this amount, the Court is not approving any particular hourly billing rates proposed by counsel. 2. Litigation costs in the amount of \$17,911, representing the full amount sought. 3. Administration costs in the amount of \$4,000, per the administrator’s bid. 4. The amount remaining is to be distributed 75% to the LWDA and 25% to the aggrieved employees as required by the version of PAGA in effect when the case was filed. Please submit a revised proposed order for the Court’s signature that conforms to the foregoing.
13	Rodriguez Clavel vs. Malcolm Healthcare, Inc.	Plaintiff's Motion for Approval of Class Settlement

	2024-01449009 Plaintiff’s motion for preliminary approval of class action settlement is CONTINUED to July 24, 2026 at 9:00 a.m. in Department CX101 to permit the parties to respond to the following items of concern. Any supplemental briefing shall be filed on or before July 14, 2026. If a revised settlement agreement and/or class notice is submitted, a redline showing all changes, deletions and additions must be submitted as well. As to the Settlement: 1. The agreement defines “Defendant” as “KTLA Properties Limited Partnership, Inc. et al.” What is the relationship between the named defendants? For example, is one the parent of the others? Does one own real property and another operate the business on that real property? Etc. 2. The class period in the agreement begins on 12/2/22. The class period pled in the operative FAC begins on 12/27/20. What, if anything, does this settlement provide for class members who worked before 12/2/22, who have always been part of the class as pled? Absent a compelling explanation (e.g., a prior class action settlement covering part of the class period), the Court is unlikely to approve a settlement that provides nothing for nearly two years’ worth of class members. 3. Please provide 60 days, rather than 45, for opt-outs, objections, and workweek disputes. 4. Are there any other actions, whether individual, class, or PAGA (including in the pre-filing LWDA stage) that may be affected by this settlement? 5. Counsel states that Defendant turned over Plaintiff’s time and pay records, as well as pay records for 100% of class members. Did Defendant turn over time records for class members, or just pay records? If time records were turned over, was it a sample, or 100% of time records? If a sample, how large? 6. Did counsel interview anyone other than Plaintiff to value the non-record claims? 7. Counsel’s declaration mentions an expert retained to value the case. Whom? Please provide a CV.
