

		Plaintiff has not filed a timely opposition to the motion. However, on 7/13/26, Plaintiff filed a declaration describing the basis for his claims and asserting that his claims in this lawsuit “are not about disputing attorney fees” but rather the wrongful retention of funds, misrepresentation of payments, and failure to account for funds held in trust. It is not clear whether Plaintiff’s declaration is intended to oppose arbitration. Based on the allegations of the complaint and the declarations of Plaintiff and Defendants, this action falls within the binding arbitration clause of the attorney-client agreement. Therefore, the action is stayed and the parties are ordered to attend arbitration consistent with the Agreement. On July 20, 2026, the Court will discuss setting a review hearing and advancing the CMC set for 8/10/26, to a new date.
6	Sui v. Kexin USA, Inc. 2025-01452561 Motion to Compel Answers to Form Interrogatories Motion to Compel Further production	Motions 1-3: Motions to Compel Responses Plaintiff Honsong Sui’s Motion to Compel Responses to Form Interrogatories-Employment (Set One); Motion to Compel Responses to Form Interrogatories-General (Set One); and Motion to Compel Responses to Request For Production of Documents (Set One) are DENIED, in part, and GRANTED, in part. Plaintiff moves for an order compelling defendant Kexin USA, Inc. to serve responses to Plaintiff’s Form Interrogatories-Employment (Set One), Form Interrogatories-General (Set One), and Request For Production of Documents (Set One) (collectively, “Written Discovery”); and for an award of monetary sanctions against Defendant. As an initial matter, the Court finds Plaintiff properly served defendant Kexin USA, Inc. with the Written Discovery via substituted service. (See Code Civ. Proc., § 415.20, subd. (a).) 4 After the motions were filed, Defendant served verified responses to the Written Discovery on 8/11/25. Thus, the motions are moot as to the responses. Nevertheless, Plaintiff is entitled to sanctions concerning the instant motions. Defendant has not established substantial justification for opposing the motion. Plaintiff seeks monetary sanctions for each motion in the amount of \$3,322.50 (4.5 hours at \$750/hour, plus \$60 filing fee), totaling \$9,967.50 for all three motions. The Court finds this amount to be

	unreasonable. Thus, the request for sanctions is granted in the reduced amount of \$2,430.00 for all three motions. Based on the foregoing, the motions are DENIED as moot, in part, regarding the responses and GRANTED, in part, regarding sanctions. Defendant is ordered to pay Plaintiff sanctions in the amount of \$2,430.00 within 10 days. Clerk to give notice. Motion 4 Plaintiff Honsong Sui's Motion to Compel Further Responses to Request For Production of Documents (Set One) is CONTINUED to a date to be selected by the Court and parties on July 20, 2026. Plaintiff moves for an order compelling defendant Kexin USA, Inc. to serve further responses to Plaintiff's Request For Production of Documents (Set One) and for an award of monetary sanctions against Defendant. The parties/counsel have not engaged in sufficient attempts to meet and confer. (See Code Civ. Proc., § 2016.040; <i>Clement v. Alegre</i> (2009) 177 Cal.App.4th 1277, 1293 [Discovery Act requires moving party to declare he or she has made a serious attempt to obtain an informal resolution of each issue; rule designed to encourage parties to work out their differences informally to avoid necessity for formal order, which lessens burden on court and reduces unnecessary expenditure of resources by litigants]; <i>Sinaiko Healthcare Consulting, Inc. v. Pacific Healthcare Consultants</i> (2007) 148 Cal.App.4th 390, 402 [central precept of Discovery Act that discovery be self-executing].) Here, Defendant served unverified responses on 6/20/25. Plaintiff sent a meet and confer letter on 7/2/25 before filing the motion on 7/15/25. Plaintiff sent another meet and confer letter on 8/8/25 and Defendant served verified responses on 8/11/25. Although this motion has been pending for a year, there is no indication that the parties have met and conferred further on the verified responses. 5 The parties/counsel are ORDERED to engage in additional attempts to meet and confer in person, telephonically, or over remote videoconferences (not email). If Defendant agrees to serve further responses, Defendant shall serve verified further responses no later than nine court days before the hearing. The parties/counsel are ORDERED to file a JOINT STATUS REPORT, indicating whether court intervention remains the only option to resolve this discovery dispute and, if so, which responses remain at issue, no later than five court days before the hearing. The parties are strongly encouraged to resolve this dispute cooperatively if possible. Failure to comply with this order may result in sanctions against the
